

APPOINTMENTS

Dr. Mitchell can only write and transfer prescriptions during his regular Zoom hours, but after your first visit you do NOT need an appointment to see him again. Just call him:

tuesday = 8am - noon

thursday = 8am - noon

saturday = 9am - 1pm

sunday = 9am - 1pm

He will put you on the list to be seen the day you call and then call you back when it is your turn. Do NOT enter his Zoom room until he calls you and tells you to do so.

People are seen on a first-come, first-served basis, so you may be seen quickly or you may have to wait 30-60 minutes to be seen. There is no way to know ahead of time how long your wait will be, so please plan accordingly.
