

## FEES

**OFFICE VISIT:**

This is an opioid addiction medication management program. Treatment is open ended, \$25 per week, and you come back when you want. We use a ladder-system where you start out at 1-week enrollments (\$25 per visit). Over time, you can progress up to a maximum of 8-week enrollments (\$25 x 8 = \$200 per visit).

**OFF-SCHEDULE VISIT:**

Dr. Mitchell sees patients by Zoom during the hours that are posted on his website. If you request a visit at other times or other days, **in addition to your office-visit fee**, there is another fee which increases by \$50 every time you make another off-schedule request, as follows:

- 1<sup>st</sup> off-schedule visit **additional** fee = \$50
- 2<sup>nd</sup> off-schedule visit **additional** fee = \$100
- 3<sup>rd</sup> off-schedule visit **additional** fee = \$150
- 4<sup>th</sup> off-schedule visit **additional** fee = \$200
- 5<sup>th</sup> off-schedule visit **additional** fee....

**GENERAL LABS (optional):**

Dr. Mitchell offers optional lab tests to check liver and kidney function. It is **not** mandatory, it is **not** complete blood work and it does **not** include things like cholesterol, thyroid or prostate labs. The cost is from \$130 to \$150 and is **NOT** covered by insurance.

**PRESCRIPTION TRANSFER:**

\$15 - see the "Pharmacies and Transfers" download.
