**PHARMACIES AND TRANSFERS**

**PHARMACY:** Telemed uses electronic prescriptions sent directly to a pharmacy of your choice in Southeast Florida. You do not receive a paper prescription. Choose a pharmacy you have previously filled at, or one that you pre-confirmed already has your medication in stock.

If you want to choose or change your pharmacy, then have the following pharmacy information ready **BEFORE** your telemed visit:

pharmacy: name  
address with zip  
phone number

**TRANSFERS:** It is **YOUR** responsibility to be sure the pharmacy you choose has your medication in stock. If it does not, then your prescription will have to be transferred from there to another pharmacy. There is a **\$15 charge** for every transfer that you request.

**PHARMACIES:** These two pharmacies usually have the medication in stock and are very patient friendly. They also provide a **FREE ZOOM LINK** for those who cannot run Zoom on their devices.

**Prescription Drug Foundation: 305-947-0433**

1777 NE 163rd St

North Miami Beach, FL, 33162

**Medical III Pharmacy: 954-583-4100**

4100 South Hospital Drive Suite 101

Plantation, Florida 33317

**This is not a confirmation that they have the medication in stock, but these other pharmacies in Southeast Florida have also filled electronic prescriptions for Dr. Mitchell's patients:**
