PHARMACIES AND TRANSFERS

PHARMACY: Telemed uses electronic prescriptions sent directly to a pharmacy of your choice in Southeast Florida. You do not receive a paper prescription. Choose a pharmacy you have previously filled at, or one that you pre-confirmed already has your medication in stock.

If you want to choose or change your pharmacy, then have the following pharmacy information ready **BEFORE** your telemed visit:

pharmacy: name
address with zip
phone number

TRANSFERS: It is **YOUR** responsibility to be sure the pharmacy you choose has your medication in stock. If it does not, then your prescription will have to be transferred from there to another pharmacy. There is a **\$15 charge** for every transfer that you request.

PHARMACIES: These two pharmacies usually have the medication in stock and are very patient friendly. They also provide a **FREE ZOOM LINK** for those who cannot run Zoom on their devices.

Prescription Drug Foundation: 305-947-0433
