PRIVACY POLICY

During your treatment, Dr. Mitchell will gather personal health information (PHI) about you including, but not limited to, your medical history, your current health status, and your medical and personal goals. Dr. Mitchell is committed to protecting your privacy and to ensure that medical information about you is kept private. Should it occur, he will notify you in the event there is a breach in privacy of your PHI.

To protect your PHI, your medical chart is kept in paper form only , is stored in a secure, locked area, and IS NOT stored on computers or online. Your prescriptions are sent electronically over the internet to a pharmacy of your choice, and they are stored in the Florida prescription drug monitoring program (PDMP) called E-FORCSE.

Dr. Mitchell WILL NOT USE OR SHARE your PHI either for research purposes, for marketing purposes, or for health insurance payments or authorizations.

Dr. Mitchell WILL SHARE your PHI, to coordinate care with other healthcare providers or fulfill medical record requests, and he will notify you if this occurs.

Dr. Mitchell WILL SHARE your PHI to comply with all legal subpoenas regarding you, WITH OR WITHOUT YOUR CONSENT, but he will notify if this occurs.

Dr. Mitchell will notify you In the event a request is made for your PHI that is not covered by one of the conditions listed above, and he will first get your consent before complying with such requests.

To request a copy of your medical record, contact Dr. Mitchell by phone or email at:
